

LOTS OF LEARNING

ALL THESE SESSIONS
ARE OPEN TO ALL
ATTENDEES

SUNDAY, NOVEMBER 13

1:00 pm **Corporate Compliance: Managing Risk In the New Legal Environment**

This compliance oriented presentation is directed specifically at the OIG's recent practices related to excluded employees and warnings to providers. Includes issue of overpayments and perspectives from a whistleblower. Presenters: Scott Keipen, Esq, & Matthew Clark, Esq

3:00 pm **3.2 in the Spotlight: Managing Staffing Levels to Protect Your Organization from Litigation**

Explore best practices to avoid staffing violations, examine key success factors and how to connect staffing to fluctuating census. Learn real-world situations on how these make an impact on care, compliance and cost. Speaker: Mark Woodka, CEO, OnShift

MONDAY, NOVEMBER 14

1:00 pm **Person Centered Care** NURSES DAY OFFERING

Embrace the key elements of person centered care to enhance the quality of life of your residents. Speaker: Darren Trisel, Nursing Home Administrator

2:00 pm **The Kaleidoscope of Medicare Makeover** INDEPENDENT OPERATORS/NON PROPRIETARY

CONFERENCE SPONSORED SESSION
It is possible to increase Medicare/Managed Care occupancy without changing everything. Learn specific strategies to create a more lucrative Medicare environment.

Keynote Presenter: Clint Maun

2:00 pm **Hitting the Ground Running...Recognizing Safety Hazards in Your Facility**

Obtain guidance on critical elements of fire and Life Safety Code compliance pertaining to physical and operational hazards within facilities. Specific Life Safety Code issues will be reviewed and discussed.

Presenter: Stan Szyptek, AHCA Consultant and NFPA Certified Fire Inspector

2:00 pm **To Ask or Not To Ask: The Who, What, When and How of Informed Consent**

NURSES DAY OFFERING

Learn what SNFs must do to meet both the legal and ethical requirements for self determination which must be made available to every competent adult. Also learn what must be done for minors and incompetent adults.

Presenter: Mark Johnson, Esq

TUESDAY, NOVEMBER 15

8:00 AM **If I'm Odd, Does that Make Us Even?**

HOUSE OF DELEGATES, SESSION 2

Each of us is a once-in-a-universe happening. Yet, at the same time, we are 99% alike. By sharing that 1% uniqueness, we learn from one another and help change the world together.

Keynote Speaker: John Powers

2:30 pm **Update On the Reimbursement Intermediary Transition**

MULTI-FACILITY CONFERENCE SPONSORED SESSION

Affiliated Computers Systems (ACS) staff will provide updates on status of the transition as the new Medi-Cal fiscal intermediary, including a timeline for integrating LTC claims processing. Panel presentation.

Moderator: Blanca Castro, Medi-Cal Business Partnership

2:30 pm **Behavior Management: Understanding the Language of Dementia and Delirium-Based Behaviors**

Learn more about caring for residents with dementia or delirium, including the role of medications and the need for behavior management techniques.

Presenter: Dr. Keith Savell, Mariposa Training
