

## The CAHFConnectionsCenter Is Now Open!

CAHF wants your time in Palm Springs to be productive and efficient. Attendees and exhibitors can use the CAHFConnectionsCenter to start planning one-on-one meetings with other attending prospects, clients and partners leading up to the convention.

### What Is It?

The CAHFConnectionsCenter is an online meeting system that allows attendees and exhibitors to schedule meetings with their peers leading up to and during the CAHF 61st Annual Convention & Expo. After quickly logging in, users can view one another's names, titles, companies and industry sectors to determine with whom they would like to meet while at the convention. The CAHFConnectionsCenter will arrange 30-minute meetings with your new prospects and partners, thereby introducing you to new business potential and increasing your event ROI.

### How Does It Work?

**Once registered for the convention, you'll be sent an email with login instructions.** From the homepage, you can view all other attendee and exhibitor profiles and invite them to meet during the convention. After selecting a person you wish to meet, the system will send an email invitation on your behalf. When the invite is accepted or declined, your CAHFConnectionsCenter timetable will update accordingly.

If you have CAHFConnectionsCenter questions, please email [support@deal-center.com](mailto:support@deal-center.com). We are standing by to assist you.

### Where Do We Meet?

Meetings arranged through the CAHFConnectionsCenter will be held in individual meeting rooms on the exhibit floor.

### Not Registered for the CAHF 61st Annual Convention & Expo?

You must be a registered attendee or exhibitor of the CAHF 61st Annual Convention & Expo before you can take advantage of the CAHFConnectionsCenter. Register online or download appropriate registration form. *Online registration not available for exhibiting companies...please download the Exhibitor Registration form.*

Don't Delay! Meeting space and time are limited and are on a "first come, first served" basis, so register now and start networking.

Thank you and we look forward to seeing you in Palm Springs!
