## Tuesday, November 13

### Oral Care & Hygiene in Long Term Care – Part 2 Sponsored by The California Dental Association

2:30 pm - 4:30 pm  
2 hours each NHAP-p, BRN, BBS

Learn care planning for oral diseases including what to do when you find oral disease and how to establish nursing facility oral health programs. Also included are inspector survey protocols, federal regulations and guidance given to surveyors and how to stay compliant with them. Oral Care Part One and Part Two are stand-alone sessions. Concurrent registration is not required.

Instructors: Gregory J. Folse, DDS & Paul Glassman, DDS, MA, MBA

Cost	By 11/2	After 11/2
Member	\$79	\$99
Non-member	\$99	\$119

### Lessons Learned from Litigation: Dehydration & Malnutrition

2:30 pm - 4:30 pm  
2 hours each NHAP-p, BRN, BBS, MCLE

While weight loss is considered a key indicator of poor performance, the majority of persons with weight loss have either protein-energy malnutrition or dehydration. It's estimated that 40% of nursing home residents and 50% of hospitalized patients over 65 are consider malnourished. Treat for prevention, prepare for litigation should it arise.

Instructor: Rebecca Blackstone-Lowell Esq, Beach Whitman LLP
